

Internal Auditors Course

ISO 9001: 2008. Internal Quality Systems Auditing Course

A workshop designed for those required to audit their own organisation's ISO 9001: 2008 quality management system.

What will I learn?

- The requirements of the ISO 9001: 2008 and how to schedule the internal audit.
- How to prepare and implement the internal audit.
- How to identify potential problems within the quality management system.
- How to correct or prevent the identified problems.
- How and when to report to management the results of the audit.

How much does it cost?

£140 plus VAT, per delegate, or £210 for two delegate places. The fee includes refreshments throughout the day, including lunch and all course material.

How to Book:

Contact us on any of the methods below and we will send you a booking form.

What is the format?

A one day workshop, held at the PAGE Consulting Ltd training centre at Gilberdyke. With free parking and close to the M62, this is an ideal training location.

The trainer shares knowledge and experience of carrying out audits on behalf of clients and UKAS accredited certification bodies

Course Dates:

The next workshop is scheduled for **9 September 2010**.

Should you have more than eight delegates, we are able to run a course for you, at a date convenient to you.
