

The Purse Strings Are Re-Opening.

Funding Opportunities for Businesses in the Yorkshire and Humber Region.

Are you aware the following funds are becoming available?

Leadership and Management Training Fund

Funding to support the coaching, training and development of Directors and Business Owners of businesses within the Yorkshire and Humber is expected to be available from April 2011. The fund supports senior leaders to enhance their business building and leadership skills with the aim of fostering business growth. Contact us to find out if your company is eligible.

Manufacturing Advisory Service (MAS YH)

MAS supported improvement programmes are re-launched in April, after funds were suspended late last year.

If you are a manufacturer, based in the Yorkshire and Humber area, you may be eligible for funding support towards improving the way that you operate. Support is expected to be match funded, providing you with affordable access to expert assistance in all areas of business improvement.

It is anticipated that the funds will be available for a fixed period, and will be on a 'first come, first served basis.' We continually search out funding to support businesses. Contact us to discuss your requirements.

PAGE Consulting Ltd can access both funds on your behalf and support you to help your business to grow.
